

Berks County Tennis Club

Attention all aspiring & High School players! Want to improve your game? BCTC offers a *month of May* special junior rate for NEW members. Play on our clay courts for the 2017 season and see the improvement in your game...

Why clay? Almost every top player in the world both male and female developed their games by playing on clay. The USTA has now committed to clay court training as an essential key to develop mental and physical toughness. As a result, many sectional and national events have been shifted to clay courts.

A BCTC junior membership provides this and more:

- *impeccable Har-Tru(clay) courts. Absorbs heat and dries quickly after summer showers
- *Top notch clinics, lessons and camps with a USPTA professional as well as a variety of play opportunities
- *on site racquet repair, Pro shop and locker rooms
- *unique double sided hitting wall
- * **FREE** court time with membership

***“Month of May” Junior membership SPECIAL: \$99.00
Sign up at the same time with a friend for 75.00 each!***
